

A conference centre in the heart of the East Midlands

“We use EMFEC regularly for meetings and events and are constantly delighted at the quality of the rooms and support we receive from all the staff there. The rooms are light and airy and our attendees give us consistently positive feedback on their EMFEC experience (and great lunches!). Overall, EMFEC offers a flexible, friendly, cost effective venue that I would highly recommend to others”.

Claire Weldon, Siemens

Robins Wood House
Conference Centre Nottingham

Robins Wood House Conference Centre offers modern, spacious rooms, all with natural daylight creating the perfect venue for all your training, conferences and meetings. With seating from 2 - 80 people, we can provide a room suitable for a small meeting or a full conference.

With a proven track record, our priority is to provide you with excellent facilities, combined with a professional, yet personal service so that your events run as smoothly as possible. All rooms are equipped with the latest technology such as laptops, data projectors, SMART board (on request), flip charts, pens and all the other usual teaching aids required to make your experience with us a truly memorable event.

We also have a unique resource which comprises a seminar room seating up to 16 people which links to an ICT Suite with 8 workstations. The ICT Suite has high specification flat screen PCs with broadband internet access and Virtual PC desktops installed so that trainers can create any environment required for teaching. The linked rooms, with their own refreshment area, create an ideal environment for teaching and training.

For all of your conference needs, contact Sarah on **0115 854 1616**, or email **sarahr@emfec.co.uk**, or better still, why not come and have a coffee with us and see our facilities for yourself.

We are confident that once you have been to Robins Wood House you will want to return.....

How to find us

Robins Wood House Conference Centre is located in Aspley, Nottingham, close to Junction 26 of the M1. It is easily accessible from Nottingham City Centre and the A52.

There are plenty of free car parking spaces on site and easy access for wheelchair users into the building.

For a map and directions please visit our website www.emfec.co.uk.

“EMFEC are always extremely helpful and attentive, very efficient and friendly; non-intrusive - none of the big ‘corporate feel’ which is very welcoming. Great value for money.

Siemens Metering Services

“I would strongly recommend EMFEC as a venue. The conference team provide a friendly and highly efficient service from initial enquiry to ensuring that the training event runs smoothly on the day. Great venue, helpful staff, good sized rooms, free parking and the location in Nottingham makes it easily accessible for our delegates”.

Anita McNair, Nottinghamshire County Council

EMFEC is a venue that is appropriate for our large conferences and smaller scale activities. We use the ICT suite facilities which work well as a combination. The staff are very competent and helpful, the food is always excellent, and we always get good value for our money”.
